COMMITTEE'S REPORT

Officers and Committee: Regular meetings have been held throughout the year, with good attendances. We regret to report the passing of Mr. Alistair Gunn who was for so many years our Vice-Chairman, always contributing quiet and reasoned views in our deliberations. As was fitting, our Chairman and other members attended the funeral to which we sent a floral tribute on behalf of all the members. In Mr. Gunn's place, Mr. H. T. A. Sharpe, C.Eng., F.I.E.E., has been elected Vice-Chairman.

Mr. Alex. Drage, for thirteen years our Hon. Treasurer, and also our delegate to the Federation of Ravensbourne Residents Associations, moved to Sidmouth in August and on leaving Chislehurst was presented by the Committee with a copy of Webb, Miller & Beckwith's "History of Chislehurst", published in 1899, for which he expressed great appreciation. A small gift was also presented to Mrs. Drage. The Association was fortunate in securing the services of Mr. R. W. Oblath who immediately accepted election as Acting Hon. Treasurer.

Mr. F. Snocken resigned from the Committee in August and in his place Mr. H. T. Brown, of 30, Grove Vale, was co-opted. In November, Mr. A. T. C. Jones, of 10, Farmland Walk, was co-opted to fill the remaining vacancy.

The following committee members retire under Rule 6, namely, Mrs. Jarrett, Messrs. H. T. Brown, B. G. Coffin, C. Dunn, F. W. Grundy, A. T. C. Jones, N. T. D. Hocknell and E. Thompson, who, with the exception of the two last named, offer themselves for re-election. Both Messrs. Hocknell and Thompson have served faithfully for many years and the cordial thanks of the members are due to them. Nominations for the eight vacancies thus caused may be sent to the Hon. Secretary, or they may be made at the meeting.

Social Evening: There was a total attendance of 134 at the very successful evening at Graham Chiesman House on 16th April arranged by the Social Committee under the Chairmanship of Mr. F. W. Grundy.

May Queen Ceremonies: Miss Belinda Kemp was crowned with due ceremony and in the presence of hundreds of people on 2nd May. With her retinue, she attended the "Merrie England" May Queen Festival on Hayes Common on 9th May. The Joint Committee's account is published in this issue.

Affiliations: In order to keep in touch with all matters affecting ratepayers in the borough, we have continued our affiliation to the following organisations, our representatives on which are as shown i.e. Federation of Ravensbourne Residents Associations (Mr. H. T. A. Sharpe); Bromley and District Consumers Group (Mr. S. W. Mack); Bromley Civic Planning Association (Mr. Mack). Our representative on the local Road Safety Panel is Mr. F. W. Grundy, and on the recently appointed Borough Consultative Conservation Committee, Mr. C. M. Dunn. We are most grateful to these members of the Executive Committee who give this extra time and labour on behalf of the Association.

We have also continued our affiliation to the Commons, Footpaths and Open Spaces Society which has been able to give us good advice in the past.

Planning: Mrs. T. Facer keeps a watchful eye on the published list of current planning applications thus enabling us to make representations in the appropriate quarter when necessary to protect the interests of our members.

Among the items dealt with were an objection to the proposed development at "Stowcroft", a request for the preservation of trees on the Liskeard Lodge site and an objection to any widening of the road access to Mill Place that would entail taking more common land. We sympathise with the local committee opposing the excessive use of Chislehurst goods yard as a stone and aggregate distribution centre and made a small donation to their campaign fund.

We were much concerned at the size of the proposed College of Art and Design at Walden Road. In this connection we were grateful to the Borough Education Department and the Architect's Office whose representatives attended our October meeting bringing plans, drawings and a large model of the proposed college. Whilst we still had reservations as to the adequacy of Walden Road as the principal means of access, we withdrew our objection to this project in view of the explanations given.

Rates: We considered the implications of a proposal under which the Borough could collect rates by "direct debiting" which is akin to a banker's order. We feel that there are several pitfalls in this for the ratepayer and we do not recommend our members to agree to this scheme should it come into operation.

Imperial Centenary: We sponsored the formation of an Imperial Centenary Committee to commemorate the coming to Chislehurst of the Imperial Family of France in 1870, an event that had a considerable impact upon our local history and road names. Our former Chairman, Lieut. General Sir Frederick Wrisberg and our present Chairman, Mr. T. A. Bushell, were Joint Chairmen of the Centenary Committee. The planned events were successfully carried out, and the distinguished visitors from France expressed great appreciation of the arrangements made for them at Chislehurst and at Woolwich. The Association was not called upon for any financial assistance.

Water Tower Seat: The balance in hand is £86.35 which falls far short of the lowest tender for the erection of the seat. In view of this the Committee is considering the adoption of a modified plan on which it is hoped to report at the annual meeting.

St. Nicholas' Church: By its rules, this Association may not involve itself in any matters of religious doctrine or practice. Nevertheless, your Committee has heard, with great alarm, of proposals under which St. Nicholas—the parish church of Chislehurst—will entirely lose its historical character by the dismemberment or removal of its ancient screens, monuments and fittings in order to meet "modern trends". We are committed to preserve the amenities of Chislehurst and we certainly think this old church to be one of them. We advise all our members who are concerned at this to attend such meetings as the church authorities may call, and to give expression to their views. We feel that this is a matter for all Chislehurst.

Subscriptions: These have remained unaltered since 1945 and, as will be seen from the Notice Convening the Annual Meeting, the Members are asked to agree to 15 new pence per annum, with a reduced figure of 5 new pence for O.A.Ps.

Due to the number of subscriptions unpaid, it is not possible to give an accurate assessment of the membership. It is in the region of 1,500. We appeal to members to pay their subscriptions either to Barclays Bank (Martins Branch), High Street, or to their nearest Committee Member or Road Steward.
